1. Each shooter will have 75 seconds (6th-8th Grade) or 60 seconds (High School & above) to shoot five balls from five locations around the 3-point line. One location will be at the top of the key, one will be on each wing, and one will be in each corner. Each shooter will begin at either corner of the court. The designated shooting spots along the 3-point line will be marked with a taped 'X'. The shooter will stand on or behind the 'X' when shooting.
2. Each shooter must provide their own rebounder.
3. All females and 6th & 7th Grade boys will use a 28.5" size ball. 8th Grade boys and older will use 29.5" size ball. There will be balls provided or you may bring your own ball.
4. The clock will start on the shooter's first release.
5. The first four balls are worth one point, and the fifth ball will be the 'money ball' and is worth two points. A shooter must have both feet behind the 3-point line when he/she releases the ball.
6. A shooter's total score is determined by adding the total points he/she receives for all made baskets from behind the 3-point line. There is a possible total of 25 shots worth up to 30 points.
7. Tie-Breaker - When determining the champion, the following tie-breaking procedure will be followed: The first tiebreaker will be the number of money balls (fifth shot) each shooter hit in his/her round. If a tie still exists, the second tiebreaker will be the number of baskets made from the final shooting location. If a tie still exists, proceed backward through the locations until the tie is broken.
